

TECHNICAL DATA SHEET

DISTRIBUTION

PRESSWOOD PALLET

RACK KNOB (TYP. OF 6)
48"

Manufacturing & Composition

Inca Pallets are molded in one solid piece from dried wood fibers and environmentally safe synthetic resin in a compression mold under high pressure and temperature. Export Approved = No Additional costly treatments required for infestation.

* Meets the ISPM 15 requirements.

Low Moisture Content

Only 6 - 8% moisture content, no moisture transmission to product or packaging load on the pallet.

Approximate Surface Area

Top Deck: 952 sq. inches
Footprint: 88.6 sq. inches

Approximate Dynamic Load Capacity*

WEIGHT	CAPACITY	COLOR CODE
Light	1000 lbs.	Yellow
Medium	1500 lbs.	Green
Heavy	2000 lbs.	Red
Extra Heavy	2500 lbs.	White

*Load uniformly distributed on pallet deck.

*May not be available in all weights

Special Features

Hand holes – Easy ventilation for fresh produce. 28" leg opening – Clearance for wide pallet jack and fork truck tines. Rackable – designed for use in common drive-thru racks.

4-Way Entry

4-way entry with pallet jack and fork truck.

Nestability

A stack of 50 Inca Pallets nest approximately 7' high. For each additional pallet, add 2" to height of stack.

Rounded Corners & Tapered Legs

Pallets have all rounded corners and tapered legs which make them ideal for stretch or shrink wrapping.

Design for Safety

Because Inca Pallets weigh up to 50% less than conventional hardwood pallets, they are safer and easier to handle. And, there are no nails or splinters to damage product or injure personnel.

Full Truckload Capacity

Quantities vary with pallet size and weight per truckload, typically:

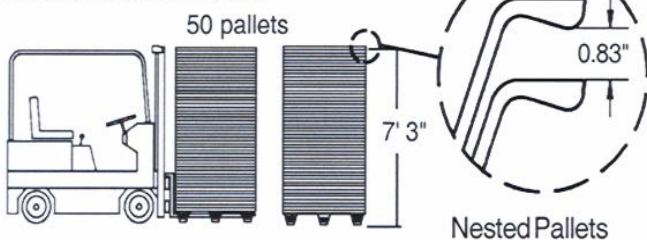

WEIGHT	TRUCKLOAD	LBS./PALLET
Light	1320	30
Medium	1285	34
Heavy	1100	39
Extra Heavy	1000	42

*May not be available in all weights

Exportation

Inca Pallets meet quarantine requirements for Australia and New Zealand. Therefore, they do not require the costly delay and expensive fumigation procedures other wood products do.

All dimensions in inches

Manufactured according to the **werzalit** process.
