

POP Display Pallets

Boost Retail Performance with Sleek, Floor-Safe, Pallets Trusted by Top Brands

Don't let bulky wood pallets undermine the performance of your seasonal or temporary displays. Litco's Engineered Molded Wood™ pallets showcase your products—not distract from them. They deliver strength, style, safety, and sustainability in one seamless base.

- ✓ **Nail-free + floor-safe**—won't scratch, scuff, or damage floors
- ✓ **One-piece, streamlined design**—elevates POP visual impact
- ✓ **Rounded corners + tapered legs**—adds a sleek, retail-ready look
- ✓ **Tested at Virginia Tech**—stronger, more durable, and twice as stiff as wood pallets
- ✓ **Trusted by Wonderful® Pistachios** for secure, damage-resistant shipping of quarter pallet displays
- ✓ **Certified sustainable** by Cradle to Cradle® and USDA BioPreferred®
- ✓ **Space-saving**—nestable design stacks up to 50 pallets in just 8 feet
- ✓ **Insect-free + mold-resistant**—sanitized at over 350°F to eliminate termites, larvae, and bacteria
- ✓ **Export-ready**—ISPM-15 exempt for hassle-free global shipping
