Established in 1962 with a commitment to honor Christ, Litco is a family-owned, privately held company that provides eco-friendly packaging and load securement products and solutions. We help companies move goods safely, sustainably, and securely. Our products include INCA-branded Engineered Molded Wood™ pallets and core plugs, custom crates, corrugated void fill, dunnage airbags, and edge protectors. Litco champions “perfect stewardship,” where we prioritize the well-being of our people, the quality of our products, and, together, the preservation of our planet.
